Starr, Frederic Newton Gisborne (Assoc prof of clinical surgery)

Starr, Frederick Newton Gisborne (Assoc. prof of clinical surgery)

opportunity to keep the boys with
friends, but I want to do
what is right. Perhaps
you will talk it over with
the Dean when he returns
and with the Premier. I
expect to reach home about
Aug 25.

With Kind Regards
Yours Faithfully
F. N. G. Starr

My dear Sir Robert,

The following cable reached me here today "Am done 1654. Can you come overseas charge of Surgery Orpington Military Hospital. I have written D. Clarke as to the possibility of release at the present and am doing the same as regards the University. It would be an
